Personal Info

Hometown: Hollister, CA Yrs Racing: 5
Age: 22 Ht: 6'3" Wt: 186 Yrs Riding: 15
In my past five years of racing I have gained a lot from my experiences and achieved many of my personal goals. I advanced from novice to expert in just one year's time and am now competing for the District 36 overall championship. For the last 15 years I have been riding with my parents, brother, and two sisters. During that time, we went on family trips throughout California and Nevada having exciting off-road experiences.
